

# How to join a Webex Meeting without installing any software

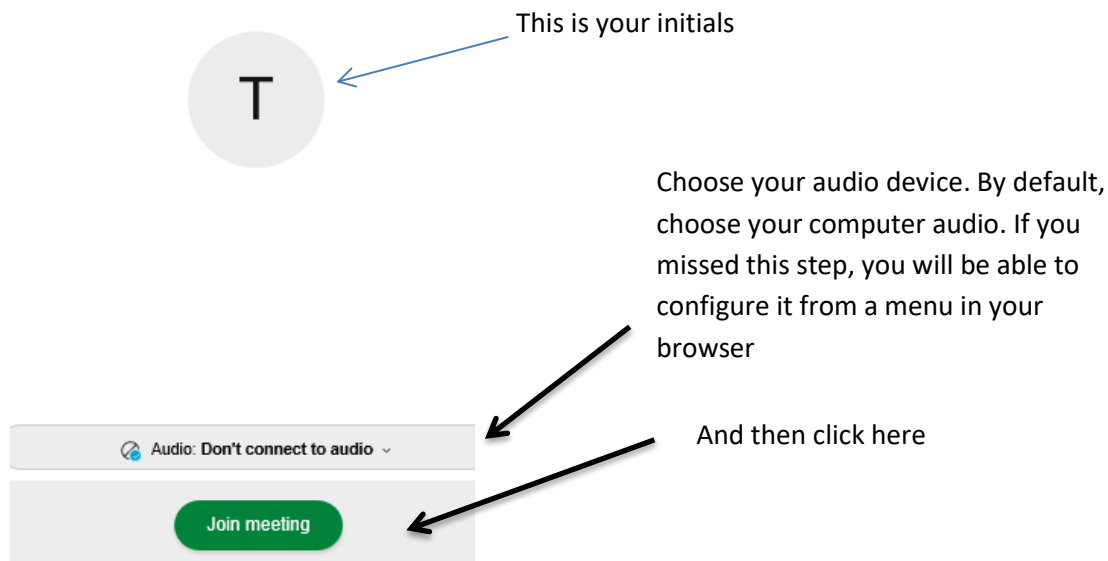

1- **Double-click the link** that was sent to you for joining the meeting, a few minutes before the indicated time

2- Select the “**join from your browser**” option

3- Enter your name and professional email

#### 4- Select your audio and join the meeting

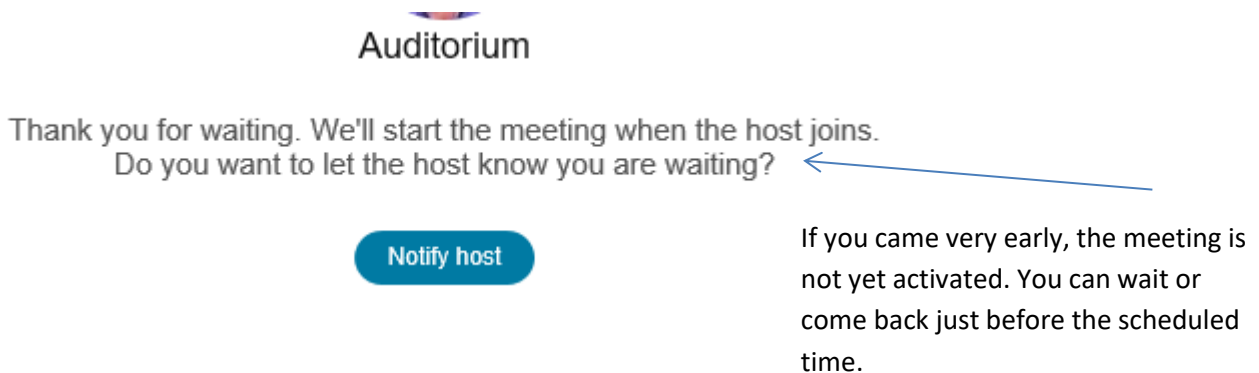

This is your initials

Choose your audio device. By default, choose your computer audio. If you missed this step, you will be able to configure it from a menu in your browser

And then click here

The screenshot shows a user interface for joining a meeting. At the top left is a circular profile icon containing the letter 'T'. Below it is a grey bar with the text 'Audio: Don't connect to audio' and a dropdown arrow. Below that is a green button labeled 'Join meeting'. Arrows point from the text annotations to the profile icon, the audio bar, and the 'Join meeting' button.

#### 5- You are in !

Auditorium

Thank you for waiting. We'll start the meeting when the host joins.  
Do you want to let the host know you are waiting?

Notify host

If you came very early, the meeting is not yet activated. You can wait or come back just before the scheduled time.

The screenshot shows the 'Auditorium' interface. It features the Auditorium logo at the top, followed by a message: 'Thank you for waiting. We'll start the meeting when the host joins. Do you want to let the host know you are waiting?'. Below the message is a blue button labeled 'Notify host'. An arrow points from the text annotation to the 'Do you want to let the host know you are waiting?' text.
